Greetings from SRDPS, Tirupattur

SRDPS has been doing community service for the development of women , children and person with disabilities in Tirupattur District since 1990. More than 200 people benefit every year through our Home.

At present the Government of Tamil Nadu has issued a new Government Order to start an **Half Way Home for the Mentally ill people. All who are admitted are Orphans and Destitute.**The purpose of the Home is connect them in the Society, who have recovered after treatment. These Interim Care Homes are to be started in a total of 5 Districts in Tamil Nadu. Accredited by SRDPS in Tirupattur District. We therefore request Donations from you to construct a building with good facilities to house the mentally ill persons who have recovered in various homes and hospitals.

Because so far our home has only accommodation for female beneficiaries. So we are trying to make the building suitable for the accommodation of male beneficiaries. We therefore kindly request you to donate as much as you can to the Rehabilitaion building. I would like to inform you that we have attached the cost details for this.
